WORKING FOR YOU

*From reforming health care to rebuilding our economy, Congress is working on issues that are vital to Louisiana and the nation. By channeling the wisdom of the American people, we can deliver solutions that preserve liberty and promote prosperity.*

## AFFORDABLE HEALTH CARE:

Dr. Bill Cassidy knows that making affordable health care accessible for all Americans is a priority.

***“But, real health care reform puts patients in charge, not bureaucrats and politicians.”***

## THE ECONOMIC CRISIS:

Congressman Cassidy is working to expand the economy and create jobs.

***“Congress has an obligation to ensure that every taxpayer dollar is spent efficiently and effectively.”***

## ROADS & TRANSPORTATION:

Bill is working to solve the daily struggle with severe traffic congestion in the I-10/I-12 corridor.

***“Investing in roads and highways will grow the economy, create jobs, and relieve traffic.”***

## TRADITIONAL LOUISIANA VALUES:

Respect for human life. Respect for veterans and their families. Respect for Constitutional liberties including the right to bear arms.

***“I will continue to promote and defend the values and rights of the people of Louisiana.”***

## LOUISIANA’S ENERGY FUTURE:

***“Energy production in Louisiana drives economic growth, creates well-paying jobs, generates significant revenue for Louisiana’s government, and strengthens America’s energy security.”***

Congressman Bill Cassidy talks with citizens in a Town Hall Meeting on health care at Our Lady of the Lake Medical Center.
